

Designed by Crisp Architects, the Friedrich's house is set amid the gracious landscape design and plantings by Judy Murphy and Old Farm Nursery.

With a courtyard of lindens and espaliered pears, rolling terraced hills, abundant gardens in whites with bits of blue, the graceful property is the perfect setting for our Garden Party.

Multiple varieties of hydrangeas surround the stone terrace looking out to wonderful vistas of mountain ranges.

A graceful curved stairway draws you down to the pool house which is surrounded by flower and shrub borders.

The Chore Service's 26th Year

Celebrating 26 Years!

For the last 26 years, the Chore Service has kept many of our elderly and disabled neighbors safely and independently at home in our community.

We served 2 families in 1992 and the demand has increased every year. This past year, 49 workers helped 217 clients across seven towns.

Chore matches clients with caring, competent local workers who help with cleaning, yard work, errands, cooking, laundry...

Clients contribute what they can per suggested federal contribution levels based on income. Currently, the average donation is \$6.82 per hour - way below the actual cost. A federal grant helps, **but you, our donors**, make the most important difference.
