

Dear Friend,

We hope that you will join the many people who sponsor our Garden Party every year. Their sponsorship, this year of our **Garden Party Stroll**, helps us to assist seniors in our community remain safely and independently in their homes.

We are living in very uncertain times and, unfortunately, cannot safely hold our garden party, but our need for donations is more critical than ever. Each year, the demand for Chore's services grows, and this year is no different, albeit a bit more challenging.

The Garden Party and our annual appeal are the heart of our fundraising efforts. Our clients, who have limited incomes, pay only what they are able, **but you, our donors**, make the most important difference. Every dollar received works at least twice: first for the client, and then for the worker.

Thank you for knowing how important it is for Chore to keep serving the seniors in our community by considering a sponsorship level on the reverse side of this card. Thank you for your support!
